## **Girls in the Game**

The community is invited to stop by First Bank of Highland Park throughout the month of January to learn about Girls in the Game. which encourages every girl to find her voice, discover her strength and lead with confidence through fun and active sports, health and leadership programs. For over 20 years later, Girls in the Game has empowered more than 40,000 girls, helping them to see that it's not about winning, it's about making your voice heard, overcoming obstacles and getting off the sidelines, and into the game.
