

First Bank of Highland Park

Where Community is First!

CASA Lake County

First Bank of Highland Park invites the community to stop by throughout the month of March to learn about CASA Lake County, the only volunteer organization that empowers everyday citizens as appointed members of the juvenile court system to become advocates for abused and neglected children. CASA volunteers include business professionals, retirees, and stay-at-home moms; ordinary people doing extraordinary things who can help make certain the voices of abused children are heard and that they find safe, permanent and loving homes.
